Agenda June 9, 2025, 7pm Whitney Room Town Offices

I. Call to order and Roll Call

Members; Rick Covill, TJ Alexander, Christina McKahan

Selectboard Rep: Peter Garland

II. Past Minutes review and approval (no meeting in February or April 2025)

With no quorum of active members at meetings, it technically is difficult to approve past minutes.

No Meeting next month on July 8, 2025, or August.

Next meeting Sept. 9, 2025

III. Clean Energy Update from Doug Cogan-Sullivan County Circuit Rider

Clean Energy Website. <https://www.cleanenergynh.org/>

Legislative update and SolSmart info.

Grantham has had recent update to town solar permit process.

There are incentives for Diesel truck replacement for town vehicles.

State is looking at HB710- Nuclear power for utilities.

IV. Community Power Coalition of New Hampshire

Update on rate changes on Aug. 2025

<https://www.cpcnh.org/news>

CPCNH adjusts Granite Basic rates to 9.7¢/kWh for March-July 2025

Rates are going up, CPCNH rates went up last winter and they need to refill the reserve funds.

V. Sol Smart Program Update SolSmart.org

Status of Poverty Plains PV project in Warner.

Town could save 1 cent/KWH over Eversource rates.

Selectmen have approved a plan to participate! Starting 2026.

Town will not be able to have Solar PV on buildings that are involved in this process.

VI. New Business

VII. Adjourn respectfully submitted Alexander Mission Statement: To find energy solutions that will save money for the taxpayers of Grantham,
