SHORELAND IS THE PROPERTY LOCATED ON SHORELAND?	YES	No
• IF YES WHICH?		
• Is the project within 250' of shoreland? (If yes see Zoning Ordinance Article XI-C)	Yes	No
a. IF YES, HAVE YOU OBTAINED APPROVAL FROM THE ZONING BOARD OF ADJUSTMENT PRIOR TO SUBMITTING A BUILDING PERMIT.		
FLOODPLAIN - IS ANY PORTION OF THIS PROPERTY LOCATED IN THE 100 YEAR FLOODPLAIN?	N/A	Yes No
a. If yes see Zoning Ordinance Article XI-A and SEE BULLETS "a. – b" BELOW		
• If flood plain on property, are they impacted ?	Yes	No
a. If yes, attach a copy of DES permits.		
• Will any land disturbance, construction, filling, grading, or dredging occur within 250-feet of any designated Shoreland and River Overlay District?	Yes	No
a. If yes, attach a copy of DES permits.		

Application **deadline is 2:00 PM on the first and third Wednesday** of each month unless otherwise posted. Approved permits are available after 12pm following the Selectmen's meeting. Building Permits must be dropped off at the Selectmen's Office by the owner or contractor familiar with the project and can answer staff's questions during review of the application. Only completed applications will be accepted. The application must be accompanied by a check payable to the Town of Grantham. **No refund will be made if the application is denied.**

A Building Permit (BP) is required for most construction in Grantham. Your application will be reviewed for completeness only when submitted to the Selectmen's Office.

- The application will then be presented to the Board of Selectmen for approval.
- All approved BP will be ready for pick-up the afternoon after the Board of Selectmen meeting. Staff will call applicants/homeowners to inform them when their BP Placard is ready to be picked up.
- An appreciable start must be made within 4 months of approval date for construction of new homes (foundation and capped). All other BP need to have an appreciable start within 6 months of approval date. **(See Town of Grantham Building Code Article VI, Paragraph H.)**
- All BP's expire 2 years from the date of approval.
- ALL 9 PAGES OF THE Building Permit Application are to be submitted for approval.

ENERGY CODE APPROVAL IF NOT APPLICABLE CHECK HERE _____			
New Hampshire Energy Code approval is required for all new home construction, additions as well as any-related improvements which would involve increase to livable square footage. Applications are available at www.puc.state.nh.us .			
All architects or engineers registered and practicing in New Hampshire shall be responsible for certifying their construction plans and must submit a letter to the town stating that the structure meets or exceeds the requirements of the energy code, Pursuant to RSA 155-D:4, VI, and VII.			
• Have you attached a completed Energy Code application with this document?			<div>Yes</div> <div>No</div>

SURVEY: If you have a Survey of the property, please attach a copy.
SETBACK REQUIREMENTS: See Zoning Ordinance for the Zoning District for the property work is being completed. List the setbacks from the furthest edge of the new or expansion of existing structure to the property line. Lots which front on two, or more highways, streets, or roadway rights-of-way (i.e., corner lots) shall be set back the minimum for that Zoning District from both such rights-of-way.

SETBACK ASSISTANCE www.granthamnh.gov from the home page click on the "DEPARTMENTS" tab. In the drop-down list select "ASSESSING/GIS/TAX MAP INFORMATION" a little more than ½ way down page select the link "TAX MAPS ONLINE" Click on the "SEARCH BUTTON" enter your property information and click on the property when you see the list populate below the search area. The property will be shown in the map shaded in yellow.

On the top right side of the page, you will click on the 2nd Icon "MEASURE". then click the "RULER" move the mouse and you will see the "+" "click then release and move the mouse to measure from the edge of the structure to the edge of the property, the measurement result can be found in the blue box on the top right. Repeat for all necessary setbacks.

One complete set of construction building plans and specifications. <u>Maximum plan size is 11" x 17"</u>					
Attach a copy of drawings, floor plans, or elevations showing dimensions and measurements.					

Acknowledgement and Certification of Homeowner and or Applicant

Pursuant to RSA 674:33, the **Zoning Board of Adjustment may hear and decide appeals** if it is alleged there is an error in any order, requirement, decision, or determination made by an Administrative Official (Selectmen) in the enforcement of the Zoning Ordinance adopted pursuant to RSA 674:16.

If issuance of this permit authorizes construction pursuant to a decision of the **Zoning Board of Adjustment**, such decision is subject to appeal within twenty (20) days of the Zoning Board of Adjustment decision; therefore, implementation during this time period is at the owner’s risk.

BY SIGNING BELOW:

- 1. **I CERTIFY THAT** the representations included with this application are true and accurate to the best of my knowledge and
- 2. **I hereby acknowledge** that the town is relying on my representations contained within this application to evaluate whether to issue the building permit.
- 3. **I CERTIFY THAT** I must have approval of the Selectmen’s Office prior to any changes to the representations included with this application. That any permit issued based on inaccurate information is subject to immediate withdrawal.
- 4. **I CERTIFY THAT** I am aware of and will comply with any deed restrictions or covenants, and any regulations or conditions imposed by the Selectmen, Zoning Board of Adjustment and or Planning Board as it relates to this property and the proposed use.
- 5. **I CERTIFY THAT** in evaluating this request, the town is not independently verifying or certifying any representations made by the applicant.
- 6. **I HEREBY GRANT PERMISSION** for site visits and inspections by the Building Inspector and that I have the express responsibility to contact the Building Inspector for all necessary inspections indicated on my Building Permit Placard.
- 7. **I HEREBY UNDERSTAND** Failure to comply with obtaining the required inspections will result in a \$75 fine per occurrence and may delay issuance of your Certificate of Occupancy.

Building Permit Fees

Residential Projects (single family and two-family dwellings):

• New Residential Structures (including manufactured housing and prefabricated housing, Accessory Dwelling Unit etc.):	\$150 + \$0.30/SF
• Residential Additions and Accessory Buildings	\$100 + \$0.30/SF
• Structural alterations that do not involve a change of footprint (SF will only apply to any additional floor area created by or occupied as a result of the alteration):	\$75 + \$0.30/SF
• After-the-fact building permit fee shall result in double the amount of the building permit plus the additional \$200 fee.	\$200 + double the amount of original building permit.

Commercial Projects:

• New Structures, Accessory Building, and Additions or Alterations that involve a change of footprint:	\$200 + \$0.30/SF
• Structural alterations that do not involve a change of footprint (SF will only apply to any additional floor area created by or occupied as a result of the alteration)	\$150 + \$0.30/SF
• After-the-fact building permit fee shall result in double the amount of the building permit plus the additional \$400 fee.	\$400 + double the amount of original building permit.

Other fees (for projects not associated with above building permits):

• Amendment to a building permit (involving additional square footage)	\$50 + \$0.30/SF
• Generator, Solar Panels-Ground Mounted, Mini-Splits	\$50 + \$0.30/SF
• Solar Panels-Roof Mounted	\$75
• Other (swimming pool, home radio antenna mast, non- typical structures, etc.):	Commercial: \$300 Residential: \$150
• Telecommunications Towers: • Accessory Structures for Telecommunications Use:	\$30/vertical foot + \$750/co-locator \$150 + \$0.30/SF
• Temporary structures, such as trailers and containers:	\$50 + \$0.30/SF

Sq. Ft. = Square Foot. The Sq. Ft. cost will be calculated on the basis of the total floor area of all levels (basement, crawl space, loft, attic, stairs, etc.) of all new structures included in the building permit. SF is calculated by measuring from the exterior dimensions of a structure's walls. The measurement for decks and stairs shall be from the exterior of the structure's walls to the outer edge of the deck or stairs.
