Energy Circuit Rider update on SolSmart (solar ordinances)

Reviewed legislative action in Concord. SB106, HB760 and others.

Clean Energy Website. <https://www.cleanenergynh.org/>

IV. Community Power Coalition of New Hampshire

Price changes and Update <https://www.cpcnh.org/news>

CPCNH adjusts Granite Basic rates to 9.7¢/kWh for March-July 2025

Eversource at 8.929 for Feb 1 thru July 31

V. SolSmart Program Update

SolSmart.org

This program will help the town with setting up solar ordinances and zoning.

More details to follow as it develops.

VI. New Business

Discussion on the Municipal Group net metering project (Poverty Plains) in Warner.

Town can join for a discounted rate with a contract for power at around 1cent/kwh.

We need to get the town electrical usage and account info for this program.

VII. Adjourn 8:15pm
