TOWN OF GRANTHAM, NEW HAMPSHIRE
CRITICAL CONSERVATION LANDS INDEX
--MARCH 2009--

Denyce Gagne
Center for the Environment, Plymouth State University
17 High Street, Plymouth, NH 03264

This project was supported by funds from the sale of the Conservation License Plate (Moose Plate) under the NH State Conservation Committee grant program. Matching funds were provided by the Town of Grantham Conservation Commission and by the Center for the Environment at Plymouth State University.

Acknowledgements

I extend gratitude to the following people: Merle Schotanus, Grantham Conservation Commission, whose tireless volunteerism and philanthropy made this project happen; Dan Sundquist, The Society for the Protection of New Hampshire Forests, whose expertise and time was integral to the completion of the project; and to Mary Ann McGarry, Center for the Environment at Plymouth State University, whose advocacy and support made this project work. Additional thanks go to the remaining members of the Grantham Conservation Commission; and to June Hammond-Rowan, Center for the Environment at Plymouth State University, and Carol Foss, New Hampshire Audubon Society, for serving on my committee. Thank you to all those who took the time to discuss and answer questions about the natural resources in the Town of Grantham, NH, and finally to my family and friends who supported me in too many ways to mention.
